

We Are Here For You

It Begins With A Promise:

Our Customers Will Receive The Highest Quality Of Service. Period.

Since opening business in 1969, Alpine Refrigeration has grown to become the most reliable service-provider in the Fraser Valley. Our entire business is built around understanding the importance of putting our customers first.

We have over 45 years of experience, but our values have always remained the same; we offer professional, high-quality and responsive service that is efficient and reliable under any circumstance.
